ESTATE PRO 22

Estate Pro 22 Stiga

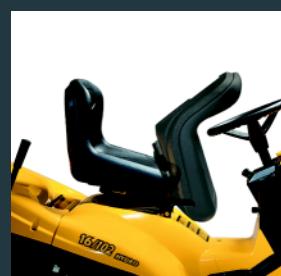

A powerful ride-on lawnmower with collector. The versatile machine can also use Multiclip and Rear Discharge. This is our largest Estate.

The ride-on lawnmower is excellent when an effective collection is important. The machine has nevertheless the fantastic ability to also supply other needs, except collecting. When you need to work through really tall grass you can drive with the Rear Discharge (accessory). The machine can also be driven in Multiclip mode (accessory). Then you don't have to rake or empty grass. Mowing is quieter and you fertilise the grass at the same time.

The ride-on lawnmower is very comfortable to operate. Nothing protrudes at the side. This means that you can trim edges as well on both sides. The collector is spacious (300 litres) and handy. A buzzer will tell you when the collector is full. Emptying is performed easily from the driving seat. The machine has a variable speed control, regulated with a foot pedal. The comfort-seat is collapsible and has draining. Equipped with an hour meter for simplified maintenance.

The cutter blades are engaged electrically and the deck has a unique system for easy cleaning.

Equipped with a powerful and environment friendly 22 hp engine. The impressive cutting width is 122 cm.
